RE: Notification of Change of Ownership
Motiva Enterprises LLC Springfield Terminal
VPDES Permit No. VA0001988

Dear Mr. Thomas:

As required by Permit Condition II.Y.2 of the subject permit, this letter provides a 30-day advance notification of the proposed transfer of title of the subject facility as described in the attached VPDES Change of Ownership Agreement Form. As specified in Condition II.Y.2, the VPDES permit may be automatically transferred to the new permittee if:

- a. The current permittee notifies the department at least 30 days in advance of the proposed transfer of the title to the facility or property;
- b. The notice includes a written agreement between the existing and new permittees containing a specific date for transfer of permit responsibility, coverage, and liability between them; and
- c. The Board does not notify the existing permittee and the proposed new permittee of its intent to modify or revoke and reissue the permit. If this notice is not received, the transfer is effective on the date specified in the agreement mentioned in Part II.Y.2.b.

Therefore, Motiva Enterprises LLC and Kinder Morgan will presume automatic transfer of the current VPDES permit to Kinder Morgan on the anticipated date of transfer described on the attachment, unless notified otherwise in advance by VDEQ. Since the date of transfer noted on the attached form is anticipated, Motiva will notify VDEQ of the actual date of transfer in writing if it is changed.

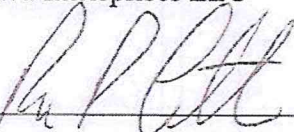

Please contact Mr. Tom Jackson (Motiva) at 703/323-0006 if you have any questions.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted.
